

Inspire a Young Woman... Become an Internship Sponsor!

SPONSORS ARE DESIRED IN THE FIELDS OF:

Technology, Science, Biotech, Engineering, Nanotechnology, Environmental Sciences, Chemistry, Architecture, Medicine & Health Care, Information Technology, Graphic Design, Law, Finance, Media, TV and Radio, Business, Life Science, and Public Service

WANTED BY:

Girls Incorporated® of the Greater Capital Region's Eureka!® Program

DATES/HOURS OF PROGRAM:

Mondays, Tuesdays & Wednesdays, 9am to 4pm. Interns work approximately 21 hours per week. July 10, 2017-August 4, 2017.

MISSION OF EUREKA! PROGRAM:

To build girls' confidence and skills through achievement opportunities in science, math, technology, sports, and careers.

OBJECTIVES OF INTERNSHIP PROGRAM:

- To provide young women with hands-on career exposure in science, math, technology and other non-traditional fields
- To expose interns to positive adult role models in their field of interest
- To encourage young women to pursue a college education in order to achieve their career goals

WHAT DOES AN INTERNSHIP SPONSOR DO?

- Internship Sponsors provide interns with relevant work experience at the job site. Job sites may vary from an office, clinic, or studio to an outdoor research area or construction site.
- Sponsors provide interns with a supportive and educational work environment, allow them to shadow their work, and have interns complete tasks associated with the Sponsor's position.
- Please note that we cannot accept Sponsors who work from a home office.

WHO ARE THE INTERNS?

The interns are underserved teen girls, ages 14-17, from the Albany and Schenectady area. They have completed at least two years of the Girls Inc. Eureka! Program, a confidence-building experience, which includes exploration of science, math, technology, careers, sports, and personal development. They will also participate in a job skills training program prior to their internship.

WHERE SHOULD THE INTERNSHIPS BE LOCATED?

The majority of Eureka! Interns live in Albany and Schenectady and will be eligible for CDTA bus passes for the duration of their internship. Workplaces should be accessible by public transportation.

WHO PAYS THE INTERNS?

Each intern receives \$500 for her participation in the internship program. We encourage sponsors to provide the funding via a tax-deductible donation to Girls Inc. if the company has the resources available. However, it is not a requirement for participation as Girls Inc. will subsidize the cost.
