"Baking with Chemistry" - Girls will investigate the basics of chemistry as they bake delicious goods. They will challenge themselves to see if they can combine the right ingredients without the recipe to create a tasty dessert.

Session 5

"Around the World in 5 Days" - Each day a different country is explored. The girls will learn about language, fashion, customs, and food of the world.

Session 3

"I Know I Can" - This week the girls will explore different careers. Each day they will learn about different jobs of interest to them. Through field trips and guest speakers the girls will take an in-depth look at their future.

Inspiring all girls to be strong, smart, and boldSM.

"Are We There Yet?" - Each day the girls will explore the Capital Region via various field trips. Girls will discover their inner explorer by participating in wilderness scavenger hunts, reporting on new experiences, and learning about Upstate New York culture.

Session 6

"Galactic Girls" - This week is all about Astronomy. Girls will travel through the galaxy learning about the stars and planets.

Session 4

"Girls Make The Message" - The week has the girls taking part in various activities involving media and media production. They will dissect the messages they are receiving in everyday advertising, and from that produce their own PSA and skits.
