

Kids Corner Program

Sponsored by First Niagara Foundation and United Way

The **Girls Inc. Kids Corner Program** is designed specifically for girls in K-2nd grade.

It runs from 2:30-5:30 pm with a **limit of 30 girls**. It is a great place for the girls to make friends, have fun and learn our six pillar programs. It is the building block for their academic skills and the foundation to their growth in our organization. Every day girls will have the opportunity to receive assistance with their homework, be given a healthy snack, and take part in the month's theme based activities.

Month & Theme

September: I Am

Girls will explore self-identity, what makes them a good friend, and their best qualities; all in hopes of raising self-confidence.

October: Unity

Girls will work on projects and activities that focus on teamwork. Girls will understand how unity and "sisterhood" can benefit them on a small and large scale. *Brief talks about the UN will take place on 10/24 for United Nations Day.

November: She's on the Money

Girls will go over the difference between coins, and work with activities that have to do with basic money counting

December: Stepping Stones

This program gets girls running, jumping, leaping, twisting, bending, and balancing as they utilize a variety of sports and movement related equipment, including jump ropes, balls, scooters, bats, bowling pins, nets, hoops, and scoops. Girls will move more confidently and skillfully, get used to the structured physical activity, learn about the positive connection between physical activity and health related fitness, and accept sports are legitimate activity for girls and women.
