

Kids Corner Program

Sponsored by KeyBank in partnership with First Niagara Foundation and United Way

The **Girls Inc. Kids Corner Program** is designed specifically for girls in K-2nd grade.

It runs from 2:30-5:30 pm with a **limit of 30 girls**. It is a great place for the girls to make friends, have fun and learn our six program pillars. It is the building block for their academic skills and the foundation to their growth in our organization. Every day girls will have the opportunity to receive assistance with their homework, be given a healthy snack, and take part in the month's theme based activities.

Month & Theme

January: Animals in the Wild

Girls will explore the world and habitats of animals through different hands on activities, movies and reading.

February: Black "Her" story Month

This month will focus on black history, but more importantly, strong black females in a variety of fields such as sports, science, math & the arts.

March: Flippin' Through the Pages

In honor of Dr. Seuss, girls will do different activities throughout the month based upon some of his bestselling books.

April: Taking Care of Mother Earth

Throughout the month Girls will learn ways to better take care of the Earth and themselves.

May: Girls Rights

Girls will do different activities based upon the Girls Inc. Bill Of Rights.
