

Help girls grades K-12 this holiday season
in Albany and Schenectady

Girls Inc. of the Great Capital Region is seeking donations of NEW and GENTLY USED items for its Annual Holiday Shop. Each December, our girls can shop for holiday gifts for their family members at the low cost of \$0.25 per item. This is a great opportunity to donate the purses you never use, that too tight baseball cap you never returned, or the toys your kids lost interest in last year. Our girls get the joy of selecting the right item for their family member, learn money management, and take part in wrapping gifts with the help of volunteers.

If you think your business would be a great collection spot for employees or the local community, or if you just want to donate yourself, we'd love to hear from you!
