Strong, Smart, and Bold Awards

**WEDNESDAY, MAY 27, 2026 | DUO AT THE DUNES
EXPECTED ATTENDANCE: 300**

The Strong, Smart & Bold Awards is our signature annual fundraiser, reimagined this year with a camp inspired theme, new location, and a more relaxed, high energy format. While the atmosphere will feel fresh and fun, the purpose remains the same. This event fuels the programs and experiences that help girls across the Capital Region grow up strong, smart, and bold.

The evening will honor the Impact Award, recognizing a partner whose leadership has advanced our mission, and the Eureka! Girl of the Year Award, celebrating the brilliance and determination of one outstanding program participant. As our largest fundraising event of the year, sponsor support ensures this celebration remains accessible, inspiring, and impactful for our entire community.
